PUBLIC NOTICE

PROPOSED CONSTRUCTION WITHIN THE WATERS OF THE ILLINOIS RIVER, LASALLE COUNTY

Notice is hereby given to all interested parties that the Illinois Department of Natural Resources, Office of Water Resources (IDNR/OWR) has received an application for permit from City of Ottawa, 301 West Madison Street, Ottawa, Illinois 61350, to authorize construction within the Illinois River. A location map is provided on the reverse side of this notice.

The proposed work includes the installation of two steel dolphin piles in the Illinois River to provide a tie down area for river vessels. The dolphins will extend 2-feet above the 1% flood elevation. No other work is set to take place.

Inquiries may be directed to William Lavelle at 217/785-3334. All interested parties are invited to submit written statements regarding the proposed work to the Illinois Department of Natural Resources, One Natural Resources Way, Springfield, Illinois 62702 by December 5, 2022.
